

# FAMILY BIBLE NIGHT

CENTERING YOUR FAMILY TIME AROUND THE FIREPLACE OF GOD'S WORD

## WHAT YOU NEED:

---

**\* ASK MOM AHEAD OF TIME TO MAKE A LIST OF ITEMS NEEDED FOR HER ACTIVITY OF CHOICE. SOMEONE ELSE IN THE FAMILY SHOULD TAKE CARE OF THE REST.**

## ACTIVITY

---

In lieu of Mother's Day on Sunday, the Mom in your household gets to run the show tonight. Give her the night off by cooking dinner, cleaning up the dishes, going to her favorite restaurant, doing a load or two, or three of laundry. Let Mom decide what she wants to do with her family, maybe she wants to watch a movie (of her choice), or go on a walk, or go buy flowers and plant them....let her choose and make it happen.

## DEVOTION

---

Mothers are very special, important, and often overlooked. The Bible speaks several times about listening to your mothers teaching. Read Proverbs 1:8-9 & Proverbs 6:20-21. God equips mothers with special knowledge and insight to teach their children. From these verses, God makes it clear that listening to your mothers teaching should be a top priority. Remember the importance God places on what your Mom has to teach you next time you feel like disregarding what she says.

Sit Mom on a chair in the middle of the room. Have the rest of the family stand around her, placing their hands on her. Spend some time praying for her. Pray that God will give her strength, patience, wisdom, discernment, & understanding. Pray that God will fill her with Joy, love, and peace. Pray that God will use her to teach your family, and that your family will be open and willing to listen to her teaching. Finally, pray that she will know how special she is to your family, and that your family will demonstrate their love & God's love to her daily.
