

MISSIONARY UPDATE

Dear Ten Mile Community Church and Family and Friends,

We are now back in the Philippines after our 5 weeks in Idaho. It was great to be at 10 Mile and see family and friends for the first time in 4 years!

Praise God!

I was blessed and encouraged in many ways during our trip to the US and we came back refreshed and ready to return to our ministry and church.

Associate Pastor Ramon and our ministry team did a great job keeping the fires burning while we were gone even hosting a VBS with over 80 kids attending.

Joanne and I are mostly recovered from the jetlag by now 😊

We are already very busy catching up and planning for the coming days!

Most of you have seen our update video by now that brought you up to date on the progress of the ministry here including our recent mass wedding for 19 couples!

If not, here is the link to the video:

I would also like to share some of the ministry plans for the coming months!

- Assoc Pastor Ramon is finishing a series “Go Ye” on personal evangelism and discipleship. The attendees of this course will be awarded certificates in a couple of weeks. As a part of this we are planning some home Bible studies to start up.
- We will be signing a MOA with TESDA a government sponsored skills training for the local people hosted and partially taught by LCCC
- Tomorrow we will begin 2 days of workshops with the Philippines Dept of Education to implement Biblical values-based education in Public Schools of Zambales.
- LCCC is now a locally affiliated branch of the TUE Bible College and we will begin hosting and teaching in September.

MISSIONARY UPDATE

- We have added a new scholar sponsorship for Mary Ann Flores! LCCC will support her costs for high school on Pangasinan as she enters her 2nd year of High School this month.

We are praying that with our ongoing mission and evangelism training in LCCC that we will be able to get more volunteers to join our campus ministry in schools within Laoag and neighboring areas as well as to start more Bible Study groups in the houses of our members. I really thank God that we have now started in our Church... our Night of Worship every Friday and our Youth Service every Saturday.

God willing, by next month, we can start our monthly Aeta Community Ministry.

ALL FOR THE GLORY OF GOD!

We are all very excited at the prospect of hosting the Ten Mile Mission Team here next year! We are already making plans and looking at venues for Youth camp and VBS for a joint gathering of all of the LCCC youth outreach ministries!
